

Wild About Dance Competitions Rules and Regulations

***** ONLINE REGISTRATION *****

* This is the quickest and easiest way for you to enter. You create an account at www.wildaboutdancecompetition.com. You first create a roster of all students and then enter your routines. All schedules and routine numbers will be posted for teachers to view on this account. Students can be added, deleted or modified by the studio at anytime up until the cutoff date. You can pay online with a single credit card payment or send us a check in the mail. However, registration will not be considered complete until payment is received.

**** OFFLINE REGISTRATION ****

If you choose not to register your entries online, you **MUST** submit a clearly printed or typed student roster form with all information completed. Student roster forms may be downloaded from our website or you can call our office to have an official entry form mailed or faxed to you. Please return the registration forms with full payment -- either a single studio check, or a completed credit card authorization form. Please submit one entry form per routine. If submitting a hard copy, all entries should be mailed together, with a typed Master List, in one large envelope and postmarked by the deadline date. All entries must be accompanied with payment in full by a single studio check payable to Wild About Dance Competition. Returned checks will be charged a \$40.00 fee, and only cashier's checks or money orders will be accepted from that studio in the future. Entry fees are **NON-REFUNDABLE**. There are no refunds for entry fees

~ Gift certificates are issued only in cases of documented injury or illness. These will be issued directly to the studio. Studios must provide a Master List of all performers, which shall include the name of each student, date of birth, Competition Level (Rec., Intermediate or Advanced) and a parent's signature for each student. The parent's signature constitutes a waiver of liability for Wild About Dance Competition. A completed form can be downloaded from the teacher's site after the student roster has been created. For mailed entries, a copy of the Master List should be attached to each entry form with the names of the students highlighted that are performing in that routine. Please make sure that the entry form, when submitted, is complete.

LATE ENTRIES Late entries will be accepted up to 4 weeks prior to the competition on a space-available basis. Any late entries received less than 4 weeks prior to the competition will be charged a late fee of 10% of the entry fees.
